WINTERIZE LIABILITY FORM

- Motors that are winterized are NOT to be started until the following spring when weather permits safe use. All motor winterization warranties are subject to proper summarization.

STORAGE LIABILITY FORM

- Boat owner is liable for insuring their boat. Foster Bros. Marine is not liable for damage to storage boats due to the following, including but not limited to building malfunction, roof collapse, snow damage, fallen trees or limbs, animal damage, any other act of God. Our buildings and your property is insured for other building malfunctions or events not covered by "acts of god".
- Customer are responsible for requesting all required services (i.e. AC or heater units, water tanks, etc.)
- Customer is responsible for their trailer being in roadworthy condition. In event of a brake down, we will tow and fix the trailer at the owners expense.
- Unless prior arrangements are made, all storage boats need to be picked up before Memorial Day weekend. Boats not picked up will be subject to \$35 service charge and 1.5% monthly finance charge. Boats in our Howard Lake storage facility will also be subject to a \$75 transfer fee.
- A minimal 7 day notice is required for pick ups.
